LAST TRAIN TO PARADISE BY LES STANDIFORD

You have voted! This year's winning book for Read Together Palm Beach County 2012 is "Last Train to Paradise" by Les Standiford. Check the Calendar of Events for program locations, times, and information.

"Last Train to Paradise" is the true story of a man of extraordinary vision and drive. Oil tycoon Henry Flagler spent the last years of his life building a railroad to span the length of Florida, including 157 miles of open ocean to Key West. The story captures the herculean efforts of the dedicated men who built this engineering marvel, plagued by mosquito and alligator infested swamplands and the fury of hurricanes. Travel through familiar Florida spots and explore early twentieth century attitudes towards working conditions, the environment, and the tourist industry.
