Throughout the month of August, the Library is going green. We would like you to start receiving your Library notices by email instead of paper or phone. With notices by email, you’ll get faster notification that your holds are ready for pick up, a reminder before your items are due, and a notice when items are due. In addition, the Library will be saving on staff time and money for postage, we’ll be using less paper, ink, and energy.

When you make the switch to email, you are entered in a raffle for one of six Go Green gift baskets that include an e-reader, tickets to the zoo, and other prizes. The raffle is open to anyone who has email notification or who switches to email by 5:00 pm, on August 31. If you don’t already have email notification it is easy to sign up. Go to www.pbclibrary.org and click on the Go Green Link. All you need is your PIN and Library Card number. If you don’t know your PIN, call or visit the Information Desk at your branch and they’ll help you make the switch.

To find more ways to Go Green attend one of our Go Green programs—identified by the leaf, check out the Go Green book displays at your favorite branch, and see the comprehensive list of materials available in the Library System on our website www.pbclibrary.org.
