NATIONAL ITALIAN AMERICAN HERITAGE MONTH

Celebrate the many achievements and successes of Italian Americans

Every year the U.S. president signs an executive order designating the month of October as National Italian American Heritage Month. Coinciding with the festivities surrounding Columbus Day, the proclamation is in recognition of the many achievements, contributions, and successes of Americans of Italian descent, as well as Italians in America.

Over 5.4 million Italians immigrated to the United States between 1820 and 1992. Today there are over 26 million Americans of Italian descent in the United States, making them the fifth largest ethnic group. The country was even named after an Italian, the explorer and geographer Amerigo Vespucci. Celebrate Italian American heritage by attending one of the many programs being offered this month at the Gardens Branch, 11303 Campus Drive, Palm Beach Gardens.* Also, be sure to check your local branch for book displays in recognition of Italian Heritage Month.

*These events were brought to you courtesy of Leonardo’s Italian Link – Northern Palm Beaches, a social club for lovers of all thing Italian, from their contribution to the Friends of the Palm Beach County Library, Inc. for the Gardens Branch.
