This year, the Palm Beach County Library System is hosting Book Life for those who love books and enjoy experiences that bring books to life. The nine books selected for Book Life bring together the diverse aspects of books – with topics from dining, architecture, crime, culture, friendship, fishing, farming to falling in love – the series offers something for everyone.

For each book we will be hosting events in the Libraries and at locations throughout the community that relate back to the books.

Be a part of the inaugural season of the Book Life series and help us celebrate Book Life and our unique community. Book Life events will be listed in Happenings and online at www.pbclibrary.org/book-life-2014.

This year BookLife featured books are:
