Book Life
For Those Who Love Books and Enjoy Experiences That Bring Books to Life

“The things that make me different are the things that make me.” A.A. Milne

For the second annual Book Life series we have selected eight books which examine the myriad identities that result from our cultures, gender, health status, our place in the family, and our careers. What tensions arise when society doesn’t view us in the same light?

The Palm Beach County Library System is proud to partner with area organizations to present this engaging series designed for adults, with some family events too. Discover the eight books that we have selected, and join your neighbors for fun, informative events inspired by the books. The programs and events will be held across the county at different library branches as well as other community locations from August to November.

This series is made possible through the generous support of the Friends of the Palm Beach County Library System, Inc. Please consider joining the Friends. See the back page of Happenings for membership information.

To register for select off-site events, visit www.pbclibrary.org/book-life one week prior to each event.

This year’s Book Life featured books are:

- “On Immunity,” by Eula Biss.
- “Still Life with Bread Crumbs,” by Anna Quindlen.
- “Frankenstein,” by Mary Shelley.

Copies of all titles are available in print via our catalog; visit www.pbclibrary.org and click on “Books, CDs and DVDs.”
