Celebrate Black History Month

By Maribel De Jesús, Multicultural Outreach Librarian

Celebrate Black History Month! We will be offering programs that honor the heritage, contributions and achievements of our African American community. Enjoy musical performances, book discussions, films and more. Our month long celebration will begin with a performance by award-winning jazz saxophonist Randy Corin-thian at the West Boca Branch on Sat, Feb 06, 2:00 pm.

In an engaging musical presentation, Dr. Naima Johnston Bush shares life lessons and great historical moments experienced by Mahalia Jackson, Billie Holiday and Ethel Waters (Okeechobee and Glades Road Branch).

Vocalist Perley Rousseau and pianist Sonny Daye present a concert filled with warmth and humor highlighting the life and music of the legendary Ella Fitzgerald (Royal Palm Beach, West Boynton Beach and Jupiter Branch).

View the award-winning documentary, “America’s Blues” and enjoy a live instrumental performance (Acreage Branch and Main Library).

Join Outreach Librarian Ronald Glass for a Book Discussion series, (Belle Glade, Greenacres and Gardens Branch). At the Lantana Road Branch, Dr. Anthony Dixon, assistant professor and archivist at Bethune-Cookman University, shares his triumphant story from being incarcerated in his youth, to earning a Ph.D. in History from Indiana University.

In a special offering in all our branches, families will enjoy, Orisirisi African Folklore - Moonlight Stories. With African drumming, dance, and fun-filled audience participation, Moonlight Stories will appeal to the child’s heart in everyone.

Black History Month has its national roots in a week-long observation initiated by Dr. Carter G. Woodson in 1926, it was expanded into Black History Month by President Ford in 1976, and became Public Law 99-244 in 1986.

Check the calendar for special programs in your local branch.

Our Writers LIVE! series brings the community together with authors and their books. Our eighth annual event boasts an exciting line up of best-selling authors who will discuss their latest works, chat with you, and sign books. These talks will be held across the county at different library locations from January through April.

The Old Vero Man Site & Paleoindian Archaeology in Florida
Claims of a Pleistocene human presence in Florida were debated for nearly a century before widespread acceptance of the Folsom, New Mexico finds helped decide the issue in 1927. The Vero site, excavated by Elias Sellards and his crew, between 1915-1917, was by far the most prominent and hotly contested. Yet, the basic questions of cultural affinity, age of the site, and the lifeways of early peoples in the far south remain unanswered. Speaker: Dr. Andra Hemmings. Co-sponsored by the Palm Beach County Archaeological Society. (75 min.)
