**2016 READ TOGETHER**

**PALM BEACH COUNTY:**

**ONE BOOK, ONE COMMUNITY:**

**“The Light in the Ruins”**

The Palm Beach County Library System, in partnership with the Literacy Coalition of Palm Beach County and others, is working to encourage thousands of adults throughout Palm Beach County to read the same book at the same time. It will promote community dialogue and engagement as citizens gather together to discuss key themes.

Read Together Palm Beach County has been a successful biannual effort for over a decade, featuring such titles as “Fahrenheit 451,” “Their Eyes Were Watching God,” “To Kill a Mockingbird,” and “The Language of Flowers.” This year’s selection, “The Light in the Ruins,” is historical fiction set against an exquisitely rendered Italian countryside that unveils a breathtaking story of moral paradox, human frailty and the mysterious ways of the heart.

Events and discussions are planned throughout the Library System. Check our event listings for dates and times.

A finale event will be held at the Harriet Himmel Theater in Cityplace on Thu, Mar 31, 5:30 pm. This event will feature the author, Chris Bohjalian, and is free of charge, but reservations are necessary. Call 561-279-9013 for more information.

Visit [www.literacypbc.org](http://www.literacypbc.org) for updates about other events and the campaign.
