Calendar of Events

Get Money Smart

The Palm Beach County Library System will be participating in the national public awareness campaign, Money Smart Month in April, by offering classes and programs throughout the county.

Money Smart Month programs are for everyone: from job seekers to small business owners to thrifty consumers. Events cover a variety of topics to help Palm Beach County residents improve their credit score, fight against senior scams, prevent identity theft, write a grant, read a financial statement, and much more. For a complete listing of programs visit www.pbclibrary.org.

Money Smart Month promotes financial education across all age groups. Launched in 2002 by the Federal Reserve Bank of Chicago, the program is now active in more than 45 states through national partnerships with the Certified Financial Planner Board of Standards, Consumer Financial Protection Bureau and USDA (United States Department of Agriculture) Cooperative Extension and the American Library Association.

To learn more about personal finance, careers, consumer safety, grant-seeking, thrifty lifestyle tips and more, join us at one of our Money Smart events this month!

Book & Exhibition

Discussion: Chimamanda Ngozi Adichie / Njideka Akunyili Crosby

“Americanah,” by Chimamanda Ngozi Adichie, was named the winner of the 2013 National Book Critics Circle Award for fiction, and The New York Times selected it as one of that year’s 10 best books. Join a discussion of the novel, led by Palm Beach County Library System staff, then tour the Norton Museum’s special exhibition, “Njideka Akunyili Crosby: I Refuse to be Invisible,” to explore the works, and consider the issues of identity and race both Nigerian-born artists face.

To RSVP for this program, contact: gutierrezd@norton.org or call 561-832-5196, ext. 1113. The program is free with museum admission. Admission is free every Saturday for Palm Beach County residents with proof of residency. (90 min.)
