Summer Reading Program 2016: Get in the Game: Read
Mon, Jun 06 - Sat, Jul 30

Did you know that the summer reading program was developed nationally to help elementary, middle, and high school students maintain the reading achievements gained during the previous year? Achievement in school and in life involves more than just reading, and in 2016, the Library challenges you to become familiar with all of the opportunities that await you at your local library branch and on our website (www.pbclibrary.org). From instructor-led yoga classes to salsa dance workshops and magic shows to gardening – summer 2016 is all about exercising your mind and your body.

So get in the game! Library members of all ages are encouraged to visit their local library branch to pick up a special game board that, after completing, will entitle you to an entry into raffles for some fantastic prizes and experiences (over 72 prizes will be given away!). Throughout the summer, make sure to visit your favorite branch and our website for more opportunities to win prizes, attend special activities, engage with knowledgeable and nationally-recognized staff, and as always, to get your hands on the newest in books, DVDs, streaming movies, and downloadable music. The world is at your fingertips with the Palm Beach County Library System, and the summer is no exception! So on your mark, get set...

Library Adventure Museum Pass Program 2016

There's no better time than the summer to discover the best of what the Palm Beaches has to offer, and the Library is no exception. In addition to the multitude of activities for all ages at all locations, the LAMP (Library Adventure Museum Pass) program gives library members 17 & under the opportunity to explore museums and parks throughout Palm Beach County. From the Morikami Museum and Japanese Gardens to Loggerhead Marinelife Center, there are adventures abound for children and teens during the hot summer months.

Participation is easy. Visit the children's desk at one of Palm Beach County Library System's 17 locations or the new bookmobile between Mon, May 23 and Sat, May 28 to complete and submit your entry form. Winners will be randomly drawn and tickets will be available to pick up starting Thu, Jun 02, available through Jun 10.

The process will begin all over again for July with entry forms being accepted between Sat, Jun 25 and Fri, Jul 01. July tickets will be available to pick up starting on Wed, Jul 06. All children with a Palm Beach County Library System card will be eligible to enter once in June and once in July, so may the odds be ever in your favor!

For more details on this exciting program, please visit or contact your local Palm Beach County Library System children's desk.
