For the eleventh consecutive year the Palm Beach County Library System celebrates our community’s cultural diversity, the beautiful traditions of Latin American countries, and the important contributions Hispanics have made to American society.

The national commemoration of Hispanic Heritage Month began with a week-long observance, started in 1968 by President Lyndon B. Johnson. Twenty years later, President Ronald Reagan expanded the observation to September 15 - October 15, a month-long period which includes several Latin American countries’ anniversaries of independence. In 1988, Congress approved Law #100-402 to call on the people of the United States, especially the educational community, to observe National Hispanic Heritage Month with appropriate ceremonies and activities.

On Sat, Sep 10, at the Lantana Road Branch, this month long celebration will kick off with a musical presentation by students of the N School of Music, Folkloric Dance by Grupo Raíces, traditional Mariachi music by Mariachi Pancho Villa and more! Check the calendar for special programs at your local branch throughout the months of September and October. Programs offered during Hispanic Heritage Month are made possible by the generosity of the Friends of the Palm Beach County Library System.

This journey has always been about reaching your own other shore, no matter what it is, and that dream continues.” Diana Nyad

The Palm Beach County Library System is proud to present the third annual Book Life series, a month of activities and experiences designed for those who love to read. This year, we have selected two books exploring journeys; the literal and figurative, the personal and shared, and their power to define or redefine all who proceed along the various emerging paths.

The featured books for Book Life 2016 are:
• “Carrying Albert Home: The Somewhat True Story of a Man, His Wife, and Her Alligator,” by Homer Hickham
• “Find a Way,” by Diana Nyad

Discover the reading selections and enjoy a total of 11 educational, engaging experiences inspired by the books. Activities, events and book discussions will be held at various library branches and community locations throughout the month of September.

This series is made possible through the generous support of the Friends of the Palm Beach County Library System. Please consider joining the Friends; find out more about them by visiting www.pbclibrary.org/friends.

To register for select off-site activities, visit www.pbclibrary.org/book-life one week prior to the date of the event.

Print and digital copies (including eAudiobooks) of both titles are available via our catalog; visit www.pbclibrary.org and click “Books, CDs, & DVDs.”
