NATIONAL ITALIAN AMERICAN HERITAGE MONTH

Celebrate the many achievements and successes of Italian Americans

Every year the U.S. president signs an executive order designating the month of October as National Italian American Heritage Month. Coinciding with the festivities surrounding Columbus Day, the proclamation is in recognition of the many achievements, contributions and successes of Americans of Italian descent, as well as Italians in America. They have been essential to this country from its beginning, not only as explorers but also in the arts, literature, government and business.

In recognition of Italian American Heritage month, enjoy the Italian American Heritage Month Documentary Series that includes screenings of award-winning and insightful documentaries at the West Boca Branch, Gardens Branch, Wellington Branch, Hagen Ranch Road Branch and Main Library. View the calendar for more details.
