Palm Beach County Library System Celebrates 13th Annual “Families Reading Together” Campaign

This November we will be celebrating our 13th Annual Families Reading Together campaign. Reading as a family is an important bonding experience. Studies show that spending even 15 minutes a day can help a child become a better reader. To promote this, each year a book is chosen for all preschool through first grade children to read with their families. This year the book is “My Friends,” written by Taro Gomi.

Kicking things off will be a day at Morikami Museum and Japanese Gardens. On Sat, Nov 05 from 10:00 am until 4:00 pm, children showing their library card will receive free admission along with one accompanying adult. The Bookmobile will be on-site for children to visit and library staff will issue cards to those who do not have one.

All day free activities include: Great Book Giveaway in the Library, Creature Corner Bookmarks craft in Classroom A (10:00 am – 3:00 pm), and Garden Safari Fun: Find & Fold Animal Friends through the Gardens.

We will have other activities as well throughout the month to promote Families Reading Together. All county library locations will feature the book at story times and Outreach staff will provide programs to day care centers. There will also be a bookmark design contest for children ages 7-12.

This campaign is made possible through the generosity of the Friends of the Palm Beach County Library System and other community sponsors. All events are free to the public.

From Coverage to Care

For the past three years the Palm Beach County Library System has played a key role, together with the Health Council of Southeast Florida/Enroll Palm Beach, to educate consumers about the Affordable Care Act (ACA) - the Health Insurance Marketplace. The Library System is offering classes throughout the year. Times and locations will be posted each month in Happenings. Walk-ins are welcome!

Enrollment Events

Join us for another series of ACA Health Insurance activities to enroll and/or re-enroll into the ACA Health Insurance Marketplace plans.

Coverage to Care Workshops

Consumers who would like more information about how to use their healthcare benefits can attend the Coverage to Care educational workshops for an in-depth explanation of benefits.

All Palm Beach County Library System locations will be closed on Fri, Nov 11, for Veterans Day, and close at 5:00 pm on Wed, Nov 23 and remain closed on Thu, Nov 24 & Fri, Nov 25, for Thanksgiving. No materials will be due on these days.
