Welcome to 2021. Last year was very challenging for all of us. As a Library System we had to make adjustments in how we carry out our mission to connect communities, inspire thought and enrich lives. I want to take this opportunity to thank our staff for all the ways that they adjusted to make our community a better place. Here are some of the highlights:

• Launched a new website which was reconfigured to provide COVID-19 information.
• Transitioned to virtual services in March answering 30,000 phone calls and 1,000 emails while our branches were closed.
• Created 29 virtual storytimes with 4,258 views.
• Issued 2,500 virtual e-cards and renewed 17,500 cards.
• Partnered with the School District to provide 78 storytimes in online classrooms.
• Distributed more than 40,000 meals from the County’s Youth Services Department.
• Assisted Community Services to process 600 applications for CARES Act Assistance.
• Distributed more than 10,000 printed unemployment applications when the State’s online system was not working properly.
• Worked with CareerSource to help the unemployed navigate their system.
• Shifted from providing in-person classes and events to virtual activities to educate and entertain all ages.
• Answered more than 1,200 Ask-A-Librarian questions via text, chat and email.
• Enabled 609 free in-home uses of ABC Mouse.
• Assisted 122 members with virtual American Sign Language sessions.
• Expanded Supplemental Nutrition Assistance Program (SNAP) benefits to eight of our Library locations.
• Hosted annual events virtually including DeweyCon and Hispanic Heritage Month.

As you can see the Library is a vital part of the community and our staff are willing to step out and provide nontraditional services in order to assist our community.

I would also like to offer our thanks to you, our members, who also adjusted to a new normal and embraced using our virtual services. Usage of our e-resources (hoopla, cloudLibrary, Flipster and Freegal) increased by 30%. We became hoopla's #1 library in Florida for users and loans and #5 behind San Francisco, Los Angeles, Charlotte Mecklenberg and Cincinnati. Usage of our online resources increased by 89%.

We will continue to adjust our services to meet the needs of the community as we move forward and hopefully will return to normal and welcome you back to in-person activities.

Sincerely,
Douglas Crane

Wellington and Lantana Road Branches Close for Renovations

The Wellington Branch closed at 5:00 pm on Dec 31, 2020 for renovations and chiller replacement. The $4.2 million project includes new lighting, fixtures and flooring; painting, and construction of new interior spaces, design services, and select new furniture items.

The building was renovated and expanded in 2007, as the first project completed as part of the 2002 bond referendum. “Due to its heavy use over the past 13 years, the building was in need of renovations,” said Library Director Doug Crane.

The Lantana Road Branch will close at 5:00 pm on Sun, Jan 31, 2021 for renovations. The $3.9 million project includes new lighting, fixtures and flooring; painting, and construction of new interior spaces, expanded children’s area, relocation of the teen area, additional study rooms, service desk consolidation, design services, and select new furniture items. Air conditioning work will be done in reconfigured spaces.

The building opened to the public in April 2009 and was funded by the 2002 Library Expansion Program bond referendum and impact fees. “The Lantana Road Branch filled a gap in our library service area. Overwhelming use of the building has required us to accelerate needed improvements for safety and service enhancement,” said Library Director Doug Crane.

While the branches are closed, visit one of our other locations listed on pages 4-5.

The Bookmobile will visit these locations while the branches are closed, for renovations:

• The Wellington Amphitheater – Community Center Complex at 12100 Forest Hill Boulevard on Thursdays from 4:00 pm - 7:00 pm.
• Buttonwood Park – 5300 Lantana Road on Mondays from 4:00 pm to 7:00 pm beginning on Mon, Feb 01, excluding holidays.

Materials borrowed prior to closing can be returned to any of the Library System’s other locations and the Bookmobile.

Funding for this project comes from the Library Taxing District. “We believe the upgrades and refurbishments will be well received by the residents and allow us to continue to fulfill our mission to connect communities, inspire thought and enrich lives,” said Crane. Both projects will be completed in late 2021.

We encourage our members to use the wide range of electronic resources and services available through our website at www.pbclibrary.org.
Free Legal Assistance Using Gale LegalForms

Everyone needs legal assistance at one time or another. Gale LegalForms can help you right from our website.

State-Specific

Gale LegalForms is relevant to Florida and other state laws as well. There are categories like divorce, bankruptcy, power of attorney and incorporation (among others). Simply select a category and then choose from a list of available forms. Each form gives a full description to help you choose what you need. With one click, the form opens with spaces to click and fill in your own information like your name, city and even case number. Forms are available in a variety of formats, including Microsoft Word, Rich Text and PDF. The forms included in the database are official forms that law firms use, so you never have to wonder if they will be accepted by the court system.

Highly Searchable

Forms can be keyword searched by category or title too. This makes finding a form very easy. For example, if you need information about “quit claim deeds” and you didn't know that was a real estate term, you could just search “quit claim.” The search results include every available form related to those keywords.

Sample Letters

There are letters you can use for requesting a credit report of a minor, employment letters for suspensions, warnings, and disciplinary action, and a sample letter to request an extension on a lease from tenant to landlord. These are just a few of the handy sample letters available.

Tax Forms

There are also links to tax forms available in Gale LegalForms. When you choose a state, the database links you to that state's treasury department web site. It is a quick, easy way to find the list of available tax forms for your state without having to navigate the whole of the state web site.

Attorney Directory

An Attorney Directory is also built into Gale LegalForms. You can find an attorney practicing in a particular field of law very quickly by browsing the practice area categories. There is a description of the firm under most entries that includes information like when the firm was established, what the firm specializes in, who to ask for or how many attorneys are practicing there. Once you find a promising entry, you can click on “Start” to fill out a client intake form that goes directly to the attorney's office.

Additional Resources

There are external links from Gale LegalForms too. Here you can find links to places to get vital records, the IRS or the court system. Again, having these direct links helps you find specific agencies of the law quickly and easily. You may not always know what an agencies is called or what they do, so having direct links brings you to the right information.

Easy to Use Interface

The left side menu remains consistent throughout your use of Gale LegalForms. It includes the search box, but also a link to “Definitions,” a “Law Digest” that is more of a legal encyclopedia, as it goes into more detail about legal terms, and a “Legal Q & A” button. Here you can choose a category of the law (like “automobiles – insurance” or “civil actions – liens”) and read questions and answers on that subject.

As you can see, Gale LegalForms contains a wealth of information on virtually any legal topic. You can easily find the right form and open, edit and save it immediately for personal use. Legal situations can be emotional and overwhelming, so having trustworthy and convenient links to legal information puts you at ease. With remote access to LegalForms, you can be assured that your privacy is respected.
