March is Women’s History Month and the Library System is participating in this month-long celebration of women’s contributions to society, history and culture. To find activities that celebrate women, look for this icon 💌. This year’s theme is “Providing Healing, Promoting Health,” which pays tribute to the caregivers and frontline workers and the work they’ve done during the pandemic. The Library offers a number of activities both in-person and online to help you stay healthy during these difficult times. To find in-person activities, see page 21 and online activities are on page 13. In our Library, you can find a plethora of materials to read, listen to, watch and enjoy to discover more about women who make an impact on our world.

The Library is participating in the 13th Annual Read Together Palm Beach County campaign to encourage all adults to read the same book at the same time and to attend book discussions. This year’s book is “The Story of Arthur Truluv,” by Elizabeth Berg about an unlikely friendship between a teenage girl and an elderly widower. Community members can gather to discuss the themes of the book, which include overcoming loneliness and loss and finding connections regardless of our age, background or experiences. I hope you will join the in-person and virtual activities.

March is a time to celebrate many things. Irish-American Heritage Month with activities for the entire family including Irish songs, leprechauns and lucky clovers. Additionally, March 2 is Read Across America Day in celebration of Dr. Seuss’ birthday. Celebrate this day virtually or visit the Jupiter Branch for an in-person event at 3:00 pm. Visit our website, www.pbclibrary.org to register. Our Writers LIVE! series continues with authors sharing their works and discussing their craft. For more information, see page 10. If you are looking for a job, check out the Get Hired activities (see pages 12 and 21) for offerings. On page 21, you can learn about Peterson’s Career Prep available on the Library’s website to help you with your resume and job search.

Now available is hoopla’s Binge Pass which allows you to check out the multiple items with one checkout. For more information, see page 6.

Library activities are being offered in-person and via Zoom. Participate in our activities as often as you like whether you watch from home or attend in-person. Many of these activities are sponsored by the Friends of the Library. The Friends is a 501(c)3 that provides funding for Library activities and services not covered by the County budget. The Friends supply the copiers in the branches. This year they purchased several new copiers for the Lantana Road and Wellington branches. They also host book donation shelves where you can buy gently-used materials. If you have items to donate, call your local branch to see if they are currently accepting donations. In order for the Friends to continue to support the Library, they rely on donations and memberships. I encourage you to join me as a Friends member! Membership helps the Friends support the Library and as a thank you this Happenings will arrive in your mailbox each month. See the back cover for more information on how to join.

Sincerely,

Douglas Crane, Library Director

Celebrate the Contributions of Women This Month

Since 1987, March has been designated as Women’s History Month to highlight the contributions and achievements women have made in a variety of fields including literature, filmmaking, art, engineering and science. During March, we can reflect on the often overlooked contributions of women in U.S. history.

Women’s History Month began in 1978 when the Sonoma, California school district participated in Women’s History Week during the week of March 8th. March 8th is International Women’s Day. The celebration included school presentations, an essay contest and a parade.

Over the years, Women’s History Month has had a theme that corresponds to that year. In 1987, it was “Generations of Courage, Compassion, and Conviction.” This year’s theme is, “Providing Healing, Promoting Hope.” It is both a tribute to the ceaseless work of caregivers and frontline workers during this ongoing pandemic and also a recognition of the thousands of ways that women of all cultures have provided both healing and hope throughout history.

Purple is the color of International Woman’s Day. To show solidarity, you are encouraged to wear purple on March 8th.

Feel the Rhythm In This Multi-Sensory Event

Music is an art form and creative outlet that any person can enjoy and it’s beneficial too! Studies have shown that music can ease stress, elevate your mood and improve your auditory and memory skills.

The Library encourages you to come feel the rhythm as the Palm Beach County Library System proudly presents the Lake Worth High School Trojan Sound Drumline at the Hagen Ranch Road Branch on Sun, Mar 27 at 2:30 pm!

There will be a special interactive activity beginning at 1:00 pm for individuals who are deaf, hard of hearing or sensory seeking. Feel the beat (literally) as you learn about the science of sound.

Get ready to engage in a multi-sensory experience where the music comes to life in this fun-for-everyone event!

The Friends of the Library are a 501(C)3 organization whose mission is to support the Palm Beach County Library System to promote enhanced library services, provide financial assistance for special events and advocate for library needs.

The Friends receive the majority of their funding from copier revenue, book donations, memberships and monetary contributions. With the Libraries closed due to the coronavirus the Friends of the Library are unable to raise funds from our regular sources, the copiers or donated materials. In order to continue to provide quality activities once we return to some semblance of normal, please consider making a donation to the Friends.

You may donate online at www.pbclibrary.org/friends or mail your donation to The Friends of the Library at 3650 Summit Boulevard, West Palm Beach, FL 33406.
