Summer has arrived at last! With temperatures rising, there are so many things you can do to keep cool at the Library. I am pleased to announce that the Library is once again offering in-person storytimes for our youngest members. The listing of in-person activities by branch begins on page 21. On page 15, you will find a list of our virtual storytimes as well.

As you plan your summer travels, we hope that part of your plans include a visit to your local library branch. Once there you can attend activities, check out materials and sign up to participate in the Summer Reading Program, “Oceans of Possibilities.” Turn to page 10 to learn more. Look for this 🌊 to find Summer Reading activities. June is also audiobook month and I encourage you to check out our e-audiobooks available on hoopla and cloudLibrary to make your travels more enjoyable. We also offer e-music, full-color e-magazines and downloadable movies that you can access anywhere with an internet connection. Visit www.pbclibrary.org/digital-media so you can stay connected to your Library wherever your travels take you.

This month is also the first federal celebration of Juneteenth, which was designated a national holiday by President Joe Biden in 2021. To learn more about the history of this date, turn to page 7. The Library is hosting a number of book discussions, storytimes, trivia and other events to recognize this new national holiday. Look for this 🎨 to find these events. Library locations will be closed on Sun, Jun 19 and Mon, Jun 20. No materials will be due on these days.

June is also Pride Month and the Library’s Rainbow Roundtable, a grassroots effort led by staff who identify as queer, ally and/or many genders, has a full calendar of activities scheduled to celebrate. The Library is a proud supporter of the LGBTQ+ community because libraries truly are a place for everyone. Our commitment to serving the LGBTQ+ community furthers our mission to connect communities, inspire thought and enrich lives. To learn more about Pride Month, turn to page 6 and look for this ❤️ to find related activities.

As you can see things are really heating up at the Library. Stop in to discover the “Oceans of Possibilities” we have to offer.

WHAT IS PRIDE MONTH?

Pride Month is celebrated each year in June to honor the history and triumphs of the LGBTQ+ community. It is a time to show support for LGBTQ+ people from all walks of life and for each individual to be proud of who they are and the unique gifts they bring to the world.

June was chosen for Pride Month to commemorate the anniversary of the Stonewall Riots, which took place in Greenwich Village, Manhattan in 1969. In the early hours of morning, police raided the Stonewall Inn, one of the last sanctuaries of the gay community. When a lesbian in police custody called onlookers to action, a grassroots movement sparked six days of uprising against the police treatment of the gay community. These riots are seen as the beginning of the Gay Rights Movement.

LGBTQ+ pride has grown louder and more visible in the decades since the Stonewall Riots. More people are showing support for the LGBTQ+ community and sharing their voice with the world.

Pride Month celebrations are held locally, nationally and internationally. Libraries are a place for everyone to feel welcome and the Palm Beach County Library System is proud to support the LGBTQ+ community and demonstrate our commitment to furthering our mission to connect communities, inspire thought and enrich lives.

Juneteenth is a federal holiday celebrating the emancipation of enslaved African Americans. The celebration originated in Galveston, Texas and is the anniversary date of when Union Army officials proclaimed freedom for enslaved people in Texas, which was the last Confederate state with institutional slavery. The day was recognized as a federal holiday on Jun 17, 2021, when President Joe Biden signed the Juneteenth National Independence Day Act into law.

President Abraham Lincoln’s Emancipation Act of Jan 01, 1863 freed enslaved people in Texas and all other Southern Confederate states. The enforcement of the Proclamation relied upon the advancement of Union troops. Texas was the most remote state of the former Confederacy and therefore took longer for the troops to reach the state. The Emancipation Act freed slaves in the Confederate States but not in states that remained in the Union. As a result, the border states of Delaware and Kentucky continued slavery until those enslaved people were freed after ratification of the Thirteenth Amendment to the Constitution that abolished chattel slavery nationwide on Dec 06, 1865. The last enslaved people, many Choctaw, were freed in the Indian Territories in 1866.

To learn even more about this important holiday, look throughout this publication for activities marked with this icon 🏛️.
Selling a house? Making a will? Signing a lease? Gale LegalForms, an online, authoritative legal resource, is now available to help.

Gale LegalForms, is a robust online collection of legal forms you can access for free with your PBC Library card. With access to authentic “attorney forms,” you can better understand common legal procedures and the involved documents. Unlike other online legal products — which frequently include generic, do-it-yourself materials that may not have been drafted by an attorney — Gale LegalForms offers a well-organized collection of forms actually used in legal practices and allows you to edit the forms as you need.

“Gale LegalForms delivers real-world legal information to residents in usable and customizable formats, and simplifies common law transactions,” said Douglas Crane. “This database will help library users take greater control over their legal affairs.”

From Gale, a Cengage company, Gale LegalForms offers an easy-to-use, state-by-state and step-by-step approach to addressing basic legal matters, such as developing a will, conducting real estate transactions including rental or lease agreements and more. You have access to thousands of customizable online legal documents that are available anytime, anywhere.

Many of the forms can be used across all 50 states and are state-specific. Coupled with a straightforward interface, you avoid hours of research often required to develop legal documents. You can locate the appropriate form that’s needed by using the homepage links, downloading the form and plugging in their information.

You can access Gale LegalForms 24/7 on any device by visiting the Library’s website, www.pbclibrary.org.
