THINGS TO KNOW ABOUT THIS PASS

- The Palm Beach County Library System is proud to partner with the State Library of Florida and Florida State Parks to provide the Real Florida Reader Day Pass.
- This pass will provide access to 175 state parks. It will not provide access to Ellie Schiller Homasassa Springs, Skyway Fishing Pier and Weekie Wachee Springs state parks.
- This pass will not provide access to any local municipal, county or federal parks.
- This pass will provide access for one (1) vehicle and up to eight (8) people in the vehicle.
- This pass will not exempt the user from any ancillary fees associated with the park, such as camping fees, kayak rental charges, entry into museum or boat tours, etc.
- This program ends on September 12, 2022.
- This pass may be checked out for fourteen (14) days, and no more than one (1) pass may be checked out on each Library card at a time. The pass is not renewable.

Check out the Real Florida Reader Day Pass at your local library and visit FloridaStateParks.org/RealFloridaReader for more information!
Summer has officially settled into Palm Beach County. Cool off by signing up for our 2022 Summer Reading Program, “Oceans of Possibilities.” Our aim is simple: get Palm Beach County reading during the hot summer months. Readers of all ages are invited to get in on the fun and share their progress for a chance to win a prize. Just for signing up, all participants will receive a Wendy’s coupon for one free Jr. Frosty (while supplies last). The completion prizes vary by age group (while supplies last) and will also make you eligible to win a grand prize.

Sign up for the Summer Reading Program online or at any Palm Beach County Library System location through Fri, Jul 29. All summer long we are offering activities, both in-person and online that are related to “Oceans of Possibilities.” Look for this 👇. Spread the joy of reading and interact with all of the services the Palm Beach County Library System has to offer — register today: http://www.pbclibrary.org/summer-reading-registration.

Through July 29 in partnership with the School District of Palm Beach County, all of our locations are offering free lunches and snacks to children ages 18 and younger. Lunches and snacks are served Mon-Fri, except on holidays. Check out our website for details on branch-specific times: www.pbclibrary.org/food-service-program.

The downside of living in paradise is enduring hurricane season, which is in full swing. While we can’t stop a hurricane from happening, we can take steps to protect ourselves and our families. Be sure to join us at the Jupiter Branch on Mon, Jul 11 at 2:30 pm as we will be getting a hurricane update from WPTV Chief Meteorologist Steve Weagle. Steve will discuss the coming hurricane season and how we can prepare our homes and family. If you don’t already have a hurricane emergency plan, make one today.

Nothing signifies the joys of summer more than celebrating the Fourth of July. Get out your stars, stripes and red, white and blue to honor America’s independence from Great Britain. It all began with the passage of the Declaration of Independence on Jul 4, 1776. To allow everyone time to celebrate, all our locations will be closed on Jul 4. No materials will be due on that day.

Florida is home to hundreds of miles of beaches, national parks and a vast array of unique spots that make it both a great place to live and visit. Look for 📚 to discover activities that are about all things Florida. Turn to page 2 to find out how you can check out a pass to visit a Florida state park for free!

I want to thank you for your continued support of the Library. Have a safe summer and I’ll “sea” you again next month.

Sincerely,

Douglas Crane, Library Director

The World Almanac® for Kids is the ideal one-stop reference resource for intermediate-level students. Topics covered include the arts, biographies, geography, health, language art, literature, life science, math, physical science, social studies and sports. Two new modules, “Technology Today” and “America’s National Park’s” have been added along with more than 50 new interactive games, 100+ new videos and additional enhancements. With a dynamic new design, new and updated content and exciting new features, kids learn research skills in a safe, trusted content site with kid-friendly, interesting and entertaining content. The World Almanac® for Kids is a reliable resource for students and teachers.

You can find science projects and homework help with study tips, writing help, guides on using a dictionary, thesaurus, timelines and maps and math help. There are also fun facts articles and extensive up-to-date articles with videos to support the content. Kids can explore age-appropriate topics with interactive worksheets, “Test Your Knowledge” quizzes, crossword puzzles and word searches challenge users in a fun way. The World Almanac® for Kids erases the line between homework support and fun exploration. In each topic area there are resources for homework, reports and projects. There are even resources for students with disabilities. The new search filters make it even easier for students and teachers to find what they are looking for.

The World Almanac® for Kids features a read aloud tool and supports Google Translate, Google Sign-In and Share to Google Classroom.

The Teacher resource section includes lesson plans with instructional support. Each lesson plan includes:

- Learning objectives with essential questions teachers can use to introduce lessons.
- Important vocabulary for previewing terms to enhance comprehension of new topics.
- Ideas and themes summarizing the lesson for teachers.
- Printable handouts with links to lesson support materials, homework or in-class work.
- Critical thinking and assessment activities including additional in-class and follow-up after-reading activities.
- Graphic organizers that help with any lesson, outline maps, science diagram and an interactive SMART Board trivia challenge that can be used in class to enrich lessons or as an engaging introduction to new topics.

Have your kids use this resource over the summer as a way to show them that learning can be fun. It will help them retain what they learned in the last school year and prepare them for the next.

You can access this tool from www.pbclibrary.org/research and search for World Almanac in the search bar.

We will be having a class all about this resource at the West Boynton Branch on Tue, Jul 19, 3:00 pm. Preregister on our website, www.pbclibrary.org.
Get Ready for Kindergarten

The first day of kindergarten can be exciting and scary. Here are some actions you can take to make your child’s transition to the classroom easier. The skill set includes academics, socialization and behavioral skills.

This list is not comprehensive so you should check with your child’s school to see if they have specific requirements. For those of you who have younger children, it will help you to start the process with your child early.

Your child should be able to:
- recognize and name basic shapes: circle, triangle, square and rectangle
- count to 20
- recognize the uppercase and lowercase letters in the alphabet
- say or sing the alphabet
- recognize and write their name
- hold a book and turn pages
- sort items by size, color and shape
- identify at least eight colors in a crayon box
- identify some letter sounds
- say their parents’ full names and phone number
- dress themselves which includes tying shoes, putting on and zipping up a jacket
- take turns and share
- sit and listen
- follow simple directions
- take care of basic hygiene: use the bathroom on their own, wash their hands, wipe their nose with a tissue
- hold a pencil, marker or crayon
- use scissors
- stand in line
- open food containers for lunch

Here are some things you can do to prepare your child for kindergarten:
- Take them to the library for activities where they will be exposed to different environments, learn to follow simple instructions, learn nursery rhymes and songs and develop reading skills.
- Take them to the park and give them opportunities to play with other kids.
- Do school-like activities at home so they are familiar with them.
- Set up a simple schedule that mimics their school day.
- Teach them how to hold a book, turn the pages and point out common words, letters and colors.
- Work on gross motor skills like bouncing a ball, working on puzzles and writing with pencils.
The titles on this list are on order for the Library and can be reserved, but will not be available until the release date.

Compiled by the BookSquad.

Tuesday, July 05
Castillo, Linda: “The Hidden One”

Graham, Heather: “Aura of Night”
Wiggs, Susan: “Sugar and Salt”
July is National Culinary Arts Month! This month we pay tribute to the work thousands of professional chefs across the United States do every day. While the practice of cooking food has existed since the Stone Age, the techniques of cooking evolved with the introduction of earthenware, the availability of different vegetables and herbs and the domestication of livestock. This is the time when people started experimenting with recipes and different styles of cooking. During the 4th century B.C., the Greek Archestratus wrote the first cookbook poem. By the 3rd century B.C., a typical Greek kitchen had numerous cooking utensils that were used to fry and boil different meats and vegetables. By the 18th century, cooking methods had evolved across the world and numerous cooks began sharing their recipes. The first recognized cookbook titled “The Fannie Farmer Cookbook” was published in 1896.

Want to know how you can celebrate National Culinary Arts Month? Browse our offerings of food and cooking activities this month:

**IN-PERSON ACTIVITIES**

**All Ages**

**Afternoon Healthy Desserts: DIY Sweet Kebabs**
*Sat, Jul 09, 2:00 pm*

Learn how to make these delicious healthy snacks! End your cookout with a round of kebabs for dessert. Refreshments provided. All ages. Limit 12. First come, first served. (60 min.)
Preregister.
Clarence E. Anthony Branch

SPONSORED BY THE FRIENDS OF THE PALM BEACH COUNTY LIBRARY SYSTEM.
What comes to mind when you hear the word luau?

Do you picture a beautiful beach scene? A crystal clear ocean, waving palm trees, flowers in every color of the rainbow?

Do you hear the music? The strumming of a distant ukulele, the swish of a grass skirt, the rhythmic sound of the sea?

Do you think about the smell of salt, coconut or pineapple? Do you imagine the taste of sweet and salty treats? Do you want to dance the hula right now?

Luaus are multisensory adventures and this summer we’ll be exploring those sensory experiences at the Hagen Ranch Road Branch on Sat, Jul 16. The Library’s Special Needs Committee will be hosting a Summer Sensory Library Luau where you can tour various stations each dedicated to activities featuring one of the five senses. Then, you can join in on a mini hula lesson and watch or dance along with a live performance.

The Summer Sensory Library Luau is designed for our friends in the special needs community; However all are welcome.

Explore the sights, sounds and textures of the beach. Enjoy a hula lesson and performance! Everyone is welcome to attend this special needs activity. Refreshments provided. Space is limited. (60 min.) Preregister. Ages 15 & up.

Sat, Jul 16, 10:00 am
Ages 5-14.
Sat, Jul 16, 11:00 am
