

I am going to the Clarence E. Anthony Branch Library

A Social Story About Going to the Library

When I first walk in I see the lobby.
There is a water fountain to my right.

In the lobby on my right are bathrooms I can use any time during my visit.

The library has fun activities in the Meeting Room.

There is a machine in the lobby that I can use to return books and DVDs.

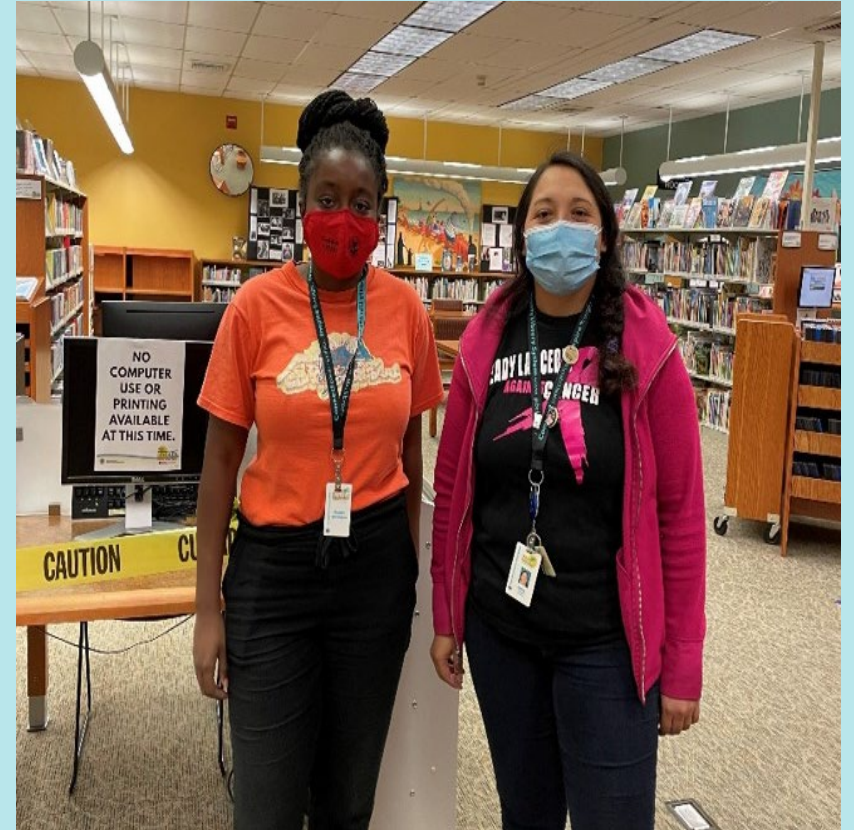

It's exciting to go to the library, so I will try to remember to walk instead of run.

Some people are studying,
so I will use my quiet voice.

If I have a question
or need help,
I can ask a
librarian.
Librarians are so
nice!

I can play or
read at the
library.

At the library, I can look at books, magazines, DVDs and music CDs.

The library also has computers that I can use.

If I need some help to calm down,
the library has stimming toys to use.

I can color at the library
and meet new friends.

At the library
I can play
with puzzles.

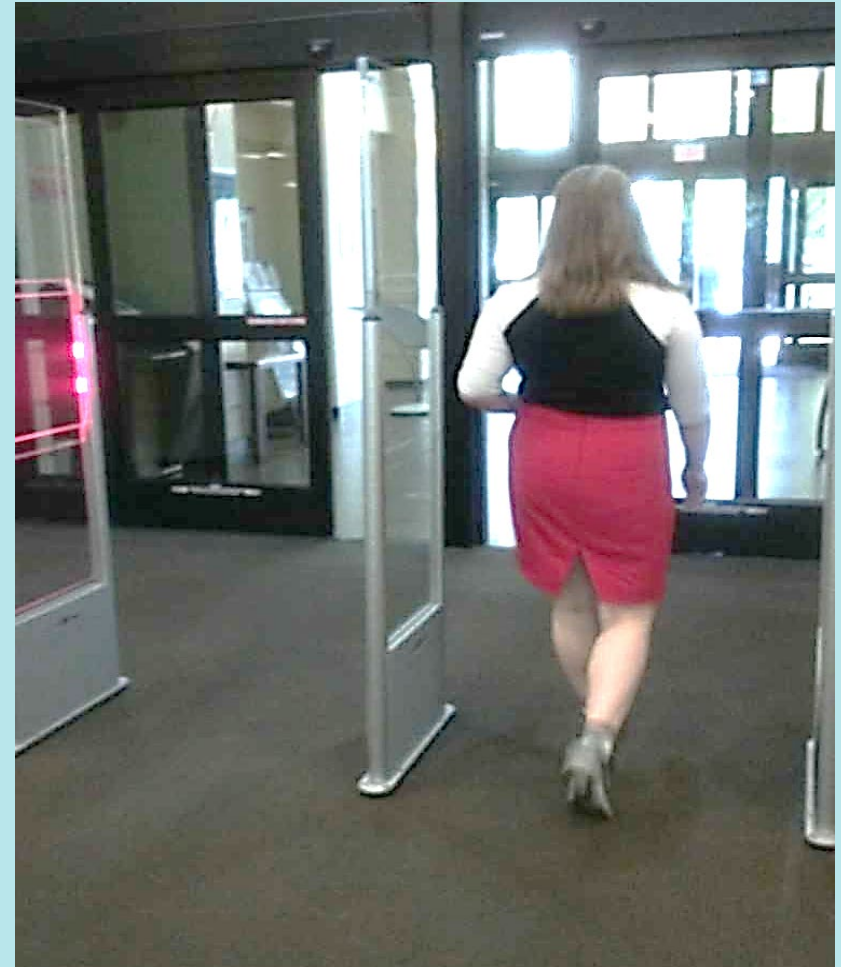

When it is time to leave,
I will use my library card
to check out books and dvd's.

I can check out books
and movies before
taking them to my
house.

If the alarm goes off when it's time to leave, I shouldn't be scared.

I can't wait to come
back to the library!
