

I am going to the Wellington Branch Library

A Social Story About Going to the Library

When I first walk in I see the lobby. There are water fountains to my right.

There are bathrooms at the library
that I can use at any time.
I can find them in the lobby.

There is a machine in the lobby that I can use to return books and DVDs.

I can go to fun programs and classes in the library meeting room.

I can see the
Children's Area on my left!

I can attend fun programs in the Storytime Room.

If I have a question or need help,
I can ask a nice librarian at one of
the desks.

There is a restroom and water fountains in the Children's Area I can use.

If I need some help to calm down,
the library has stimming toys to use.

It's exciting to go to the library, so I will try to remember to walk instead of run

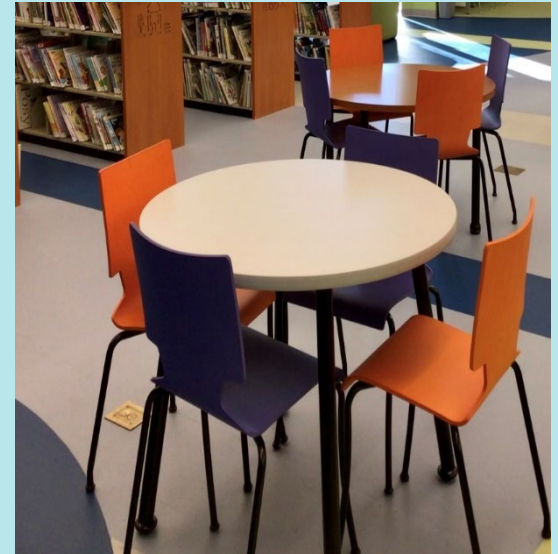

I will be quiet in the library while others read and study.

At the library, I can look at books, magazines, DVDs and music CDs.

The library has tables and rooms where I can study.

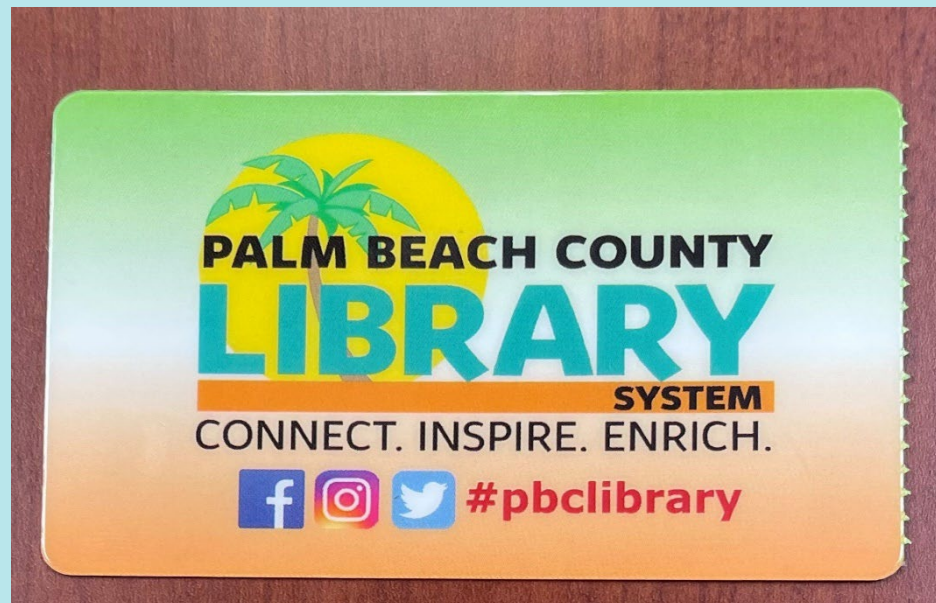

The library also has adult, teen, or children's computers I can use.

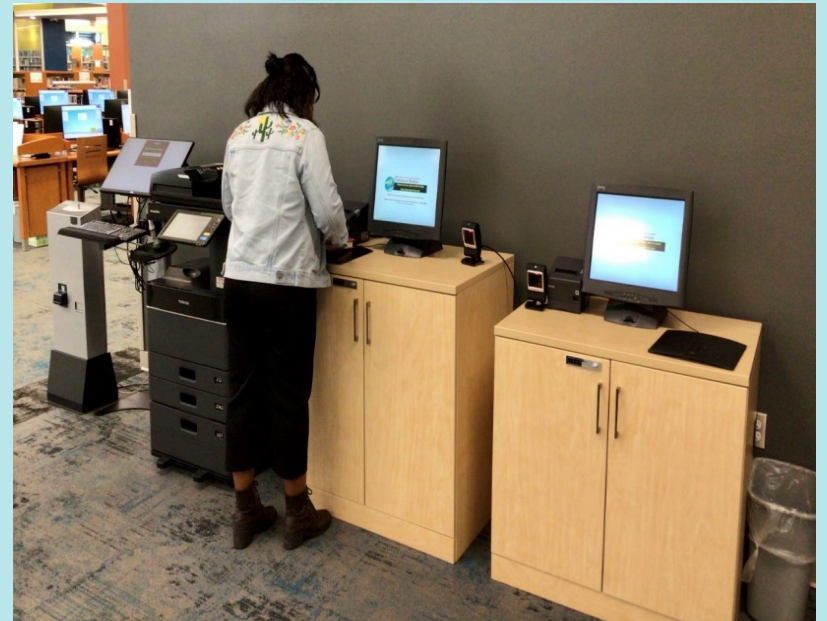

I can make copies and print from the computer at the library.

When it is time to leave,
I will use my library card
to check out books and DVDs.

I can check out books
and movies before
taking them to my
house.

If the alarm goes off when it's time to leave, I shouldn't be scared.

I can't wait to come back to the library!
